

Global CBPR & Global PRP Certification

1 Choose a Forum-recognized Accountability Agent

Select a recognized Accountability Agent within the jurisdiction in which the Applicant Organization is primarily located.

2 Complete the Intake Questionnaire

Once an Applicant Organization chooses and reaches out to an recognized Accountability Agent in its jurisdiction, the Accountability Agent then sends the Intake Questionnaire for the organization to fill out.

3 Compliance Review

Following the completion of the Intake Questionnaire and the submission of other documentary requirements, where appropriate, the Accountability Agent then certifies whether the Applicant Organization meets the Program Requirements,

4 Ongoing Discussion

The proposed application process would be iterative and allow for back-and-forth discussions between the Applicant Organization and the Accountability Agent.

5 Certification Decision

Once compliant, your company is certified to the Global CBPR and/or Global PRP System.
